**Boards and Commission Action** Federally Qualified Health Center Governing Board, October 19, 2006

The Community Care Services Department (CCSD) has received a request to rename the Far North Community Health Center (formerly known as the St. John's Public Health Center). As required by the Code of the City of Austin, on August 17, 2006, the City of Austin Public Information Officer (PIO) issued a news release seeking public comment on the proposed name change to the referenced facility. On October 19, the Federally Qualified Health Center Governing Board (FQHC) considered the 18 submitted nominations and biographies, conducted the required public hearing, and subsequently voted to approve renaming the facility the 'A K Black Community Health Center'. Nominations received included A K Black (55), Volma Overton (11), Connie Yerwood Connor (4), and 15 other names receiving fewer than four nominations.
